Application: Faculty who wish to apply for a mini-grant should submit the following information:

1. Instructional Planning and Content Pedagogy

Outline the instructional plan for incorporating family engagement initiatives in the course or courses you will be teaching. 1) Identify instructional goals, 2) learner outcomes, and 3) instructional strategies that will be utilized to address family engagement initiatives. *Note the changes being made to your current instructional plan to incorporate family engagement.

Include and describe the use of KPIRC professional development and resources.

Include and describe the use of the Parent Teacher Education Connection modules developed by KPIRC in collaboration with the University of Northern Texas at www.pte.unt.edu (The goal of the PTE Connection is to help teachers work more effectively with parents and families across cultures to improve student achievement. Each of the PTA National Family School Partnership Standards, which were endorsed by the Kansas State Board of Education, have been developed into an online module that preservice teachers or practicing educators can use for professional development.)

2. Assessment

Describe the outcomes assessment plan for measuring the attainment of course goals and learner outcomes. The outcomes plan should identify 1) the goal and outcome, 2) the method of assessment, 3) the frequency of assessment, and 4) the standard that will be used to determine if the goal and outcome has been attained.

Include and describe the types of assessments being used for your evaluation purposes (e.g. pre-post tests, etc.)

3. Continued family engagement curriculum enhancement

Describe your plan to continue the instruction and incorporation of family engagement initiatives in your curriculum after the grant project has been completed.

4. Project Information

List some of the ways that you plan to share this project with other IHE faculty.

5. Course Syllabus

Attach a course syllabus (or syllabi) that reflects the integration of the family engagement initiatives.

BUDGET

Please provide a detailed, itemized description of the budget items for your grant project.
